The employee workout facility is located on the top floor of one of the company's headquarters towers at 5330 E. 31st St., with views overlooking Tulsa.

Since 2004 Dollar Thrifty has implemented a comprehensive and progressive worksite wellness program with efforts in physical activity, healthy eating, stress management, preventative care, and employee incentives. The company offers a Weight Watchers at Work program, smoking cessation classes, flu shots, onsite mammograms and more. In 2008, Dollar Thrifty received the UnitedHealthcare "Well Deserved" award presented to only 10 companies nationwide for outstanding efforts in worksite wellness programming. This 8,000 square foot state-of-the-art fitness center was designed and built in line with the company's commitment to employee wellness and healthy lifestyles.
