

Gardner Edgerton High School Gardner, KS

Location: Gardner, KS

Commercial Consultant: Jeff Paxton

Equipment Overview:

*Hammer Strength Heavy Duty Racks

Facility Bio: Built in 2000, Gardner Edgerton High School and the District Activity Complex provide state of the art educational and athletic facilities for students in grades 9-12. In 2004, a ten-classroom addition expanded the high school's program capacity from 1,200 to 1,600 students.

This athletic multi-purpose building was added to Gardner Edgerton High School in 2006.
