Facility Bio: Missouri Southern is a Division II University. The university campus sits on 373 acres and consists of over 4,800 students. During the summer of 2009 Missouri Southern opened a new student rec center called the George Beimdiek Recreation Center. The 65,000 sq. ft. facility features a new Student Health Center, three-court gymnasium, elevated jogging track, two 4,000 sq. ft. fitness areas with cardiovascular weight machines and free weights, two fitness class studios, a fitness testing center, locker rooms and showers and a 150-seat theatre-auditorium.
