Facility Bio: Ontario High School is one of eight comprehensive high schools in the Chaffey Joint Union High School District. Ontario High School was built in 1967 and the campus is housed on 40 acres in a residential area of Ontario. The fields, aquatic facilities and gymnasium are well maintained and used by both OHS and community organizations for youth sports and recreation. Ontario High School is committed to providing students a clean and safe environment which fosters learning and promotes student responsibility and citizenship.
