Facility Bio: Rose State College offered its first classes in 1970. Originally named Oscar Rose Junior College in memory of the well-known Midwest City-Del City Superintendent of Schools, the school was renamed Rose State College in 1983. In 1973, the college became a member of The Oklahoma State System of Higher Education, after approval from the College's Board of Trustees.

The college has grown from an initial enrollment of 1,700 in 1970 to a regular fall enrollment of approximately 8,200. The campus now includes twenty-one buildings on approximately 116 acres.
