Company Bio: San Pasqual High School is a California Distinguished school located in Escondido Ca. San Pasqual has an excellent athletic program which takes pride in producing college, professional and Olympic athletes.

Facility Bio: San Pasqual's weight room is used by both students and student athletes. The coaching staff was very instrumental in choosing their weight room and physical education equipment, plus the Hammer Strength brand they trusted. Typically, 40 kids in a physical education class or the entire football team can get through their training programs with ease due to the large space. The coaches take pride in their new weight room and keep it in a clean, orderly fashion.
